BIONET-WINBUG KEYNOTE LECTURE SERIES

PIZZA LUNCH | FREE ADMISSION

An Inaugural Seminar and Networking Session

Listening to the Data: Decoding the genetics of hearing loss through Bioinformatics

FEATURED SPEAKER

Dr. Britt Drögemöller

Associate Professor
Department of Biochemistry & Medical Genetics
University of Manitoba

DATE & TIME

Tuesday, November 24, 2026

12:30 PM – 2:00 PM EST

LOCATION

BMSB 341

Seminar Room

WHO SHOULD ATTEND

Students, professionals, technicians, professors, anyone using bioinformatics, and anyone interested in using bioinformatics.

Register using the QR code

Paul Albrechtsen Research Institute CancerCare Manitoba | Institut de recherche ActionCancer Manitoba
Bioinformatics Core
In partnership with RFHS SGB
