# CAMPUS CYCLING

**FRIDAY, FEBRUARY 14, 2014**  
CENTRE SPACE, J.A RUSSELL BUILDING

**1:00PM PANEL DISCUSSION**  
2:00PM COFFEE BREAK  
2:30PM BREAKOUT SESSIONS

What does it take to create sustainable cold campus cycling?  
How do you envision the future of active transportation in cold climate universities and cities?

Panel discussion will include four diverse presentations from global winter cycling experts (1:00pm) followed by breakout sessions (2:30pm) that will consider winter cycling opportunities at the University of Manitoba and in the City of Winnipeg. Each of the free events will generate discussion and include an opportunity to share ideas, experiences, skills and knowledge.
