

TRAIL Care CREW

The IMBA Canada Trail Care Crew is coming to the area to help improve your trail opportunities. Join Chad and Deanne Lazaruk to learn how to design, build and maintain trails in a sustainable way.

**free
workshop**

Volunteers who want to participate in trail building should come prepared with appropriate clothing including gloves. Tools will be available.

Saturday June 18th

Come take part in an IMBA Trail Building School, hosted by the Crow Wing Trail Association Chemin Saint-Paul.

9 am - noon: In-class session to learn the science of trail building. Reimer Student Life Centre, Providence College, Otterburne.

Noon - 1 pm: Lunch provided by Trail Partners.

1 - 4 pm: Test out the new techniques you've learned! Trail building on Providence College property.

A group bike ride is planned from the newly built trail to the St-Pierre-Jolys Museum Grounds immediately following the workshop. If you wish to participate, bring your bike!

Please RSVP online so organizers know how much food to provide.

Email cwta@voyageur.coop for more info.
