

EDUCATION SESSIONS Fall 2020

All MHikNET education events are *free* to attend and we encourage you to circulate these events with your colleagues. Recordings of previous sessions are available at www.mhiknet.ca

Choosing Wisely Manitoba

September 10th (free, online)

1:00 pm – 2:00 pm | [Register Here](#)

Dr. Eric Bohm, Clinical Sponsor of Choosing Wisely Manitoba, will provide an introduction to Choosing Wisely Manitoba, including the fundamental concepts of *why* more is not always better in health care. Join us to explore past, current and future initiatives for Choosing Wisely Manitoba.

Open Educational Resources (OERs)

October 7th (free, online)

10:00 – 10:45 am | [Register Here](#)

Open Educational Resources are free educational materials that can be adapted and shared for all your teaching and learning needs. Guest host Nicole Askin will describe what OERs are and how to find them!

Everything you need to know about UpToDate

November 4th (free, online)

10:30 – 11:15 am | [Register Here](#)

UpToDate is an electronic clinical decision support tool and is free to many health professionals in Manitoba. Join this session to learn how to create your free UpToDate account, use the mobile app, and earn continuing education credits.

Searching for Images

December 1st (free, online)

2:00 – 2:45 pm | [Register Here](#)

Where can you find images to include in your presentations and displays? Register for this session to find out! We will also review how to assess image permissions and how to cite them.
