HEALTHCARE APPS

February 14th, 2018 – Online – Register Here: <http://bit.ly/2iHTptl>

1:30 – 2:30 pm

Your phones and tablets can be powerful healthcare tools – learn about the latest and greatest healthcare apps, including UpToDate. How do you find apps? How do you assess them? We'll take you through the sorts of healthcare apps that exist out there, including point of care apps, drug reference apps, medical calculators, information seeking apps, productivity apps, and more!
