

Métis Centre Literature & Statistics Databases

- **The workshop:** Accessing, navigating, using the databases and interpreting the tables and graphs in the database
- **What is in the databases:** Métis-specific health literature citations, bibliography generator, statistical tables and graphs from the 2006 Aboriginal Peoples Survey, Aboriginal Children's Survey and the Census and tutorials.
- **In the workshop we will show you how to:**
 - Access and navigate the database
 - Search the literature database for citations and generate a bibliography of selected citations
 - Search the statistical database for statistical tables and graphs
 - Interpret tables and graphs in the database
 - Using other tools (tutorials and glossary) on the website
- **Location:** Ross Computer Lab – Neil John Maclean Health Sciences Library
- **Date & Time:** January 28th 2011
 - **Session 1:** 9:15 – 10:15 am
 - **Session 2:** 10:30 – 11:30 am.
