## **IRP/IFP Schellenberg Prize 2013**

The IRP/IFP Schellenberg Prize for Research will be awarded on the basis of scientific merit to recognize recent achievements in the cellular, molecular and clinical aspects of **spinal cord development, plasticity and regeneration following lesions.**

Eligible for the Prize are young but established group leaders with outstanding achievements in experimental or clinical research related to spinal cord injury and repair.

The Prize sum of **150,000 Swiss Francs** is to be used for research purposes (personnel, equipment or supplies) and will be handed over to the winner at an award ceremony in spring 2013 in Switzerland by the IRP Foundation.

Applications should include:

- Description of his/her accomplishments in spinal cord research (max. 4 pages)
- Reprints or preprints of relevant publications
- Curriculum vitae and list of all publications over the last 5 years.

Deadline for applications: **October 31, 2012**

They can be sent to the address below or submitted on the website **[www.irp.ch](http://www.irp.ch)**, where further information, including the IRP/IFP Schellenberg Prize regulations, can be found.
