January 10, 2017

Dear Plant Sciences Graduate Students,

On behalf of the University of Saskatchewan Plant Sciences Graduate Student Association (PSGSA), it gives us great honor to invite you to attend the 33rd Annual Plant Sciences Graduate Student Symposium. The Symposium will be held on **March 31 and April 1, 2017** in Saskatoon, SK. In the past, the symposium has been valuable to graduate students of the University of Saskatchewan, University of Manitoba, and North Dakota State University as the symposium provides an opportunity for graduate students to interact with their peers as well as present their research to gain public speaking skills for a polished presentation. This year, the Symposium will also have attendees from the University of Alberta. All student presentations will be on April 1st, 2017. Please visit the symposium website for more details. The symposium is open to all graduate students studying in the field of plant science and we are happy to welcome all those who are interested. Some important deadlines for your reference are:

Online Title Submission: January 31st, 2017

Online Abstract Submission: February 24th, 2017

Online Registration: March 5th, 2017

We look forward to your participation in the 33rd Plant Sciences Graduate Student Symposium.

Sincerely,

Gurcharn Brar

Gurcharn Singh Brar, Chair
33rd Plant Sciences Graduate Student Symposium
