**READ THE FOLLOWING CONDITIONS CAREFULLY BEFORE SUBMITTING THIS APPLICATION
INCOMPLETE or LATE APPLICATIONS WILL NOT BE CONSIDERED**

PURPOSE:

The purpose of the University of Manitoba Bursary program is to provide financial assistance to students who demonstrate financial need. Bursaries are intended to assist with living costs; they are not intended to provide full funding for the school year. Submitting an application does not guarantee that you will receive a bursary.

ELIGIBILITY AND OTHER CONSIDERATIONS

- You **must** demonstrate a **realistic financial need** to be considered for a bursary and each application must be completed as accurately as possible.
- An excessive deficit/need submitted on this form **will not** result in a greater bursary amount and **may disqualify you**.
 - If your deficit amount exceeds \$5000, please speak to the Financial Aid & Awards staff before submitting your application.
- **You must be registered in both terms (Fall & Winter)**, although you may be a full-time or part-time student. If you are not registered for classes in both terms when your application is reviewed and processed, you will not be considered eligible.
- You must have at least **70% high school average** (1st year students) or a minimum **2.0 GPA** (returning UM students) to qualify.
- If you are receiving a government student loan, **attach a complete copy of your Notice of Assessment (MB Students) or Need Assessment (other provinces)**.
 - If you attach this, **do not** fill out the Expenses/Resources Budget on page one.
- If you receive a bursary, you will be mailed notification in late December, so be sure to update your address on Aurora Student.
