

Department of Plant Science

University of Manitoba Graduate Fellowship Application 2016–2017

Deadline: February 22, 2016

Please submit applications to the Department of Plant Science

University of Manitoba Graduate Fellowships (UMGF)

The Faculty of Graduate Studies offers new and continuing University of Manitoba Graduate Fellowships (UMGF) each year to meritorious students for full-time study and/or research leading to a graduate degree. Awards are made on the basis of academic excellence, and are open to students who will be registered as full-time graduate students (Master's or Ph.D.) at the University of Manitoba regardless of nationality or discipline during tenure of the award.

Students must be recommended by their department to the Faculty of Graduate Studies. Only students with a <u>minimum GPA of 3.75</u> in the last sixty credit hours of study at a recognized university based on a Bachelor, Master's, Graduate Diploma or Doctoral degree will be recommended. Competition for the UMGF is strong each year and there are always many more students recommended than there are available awards.

International GPAs are calculated using the equivalency criteria from the Faculty of Graduate Studies website http://umanitoba.ca/faculties/graduate-studies/admin/569.html

For tips on calculating United States and other Canadian universities GPAs, please go to the following Graduate Studies website: http://umanitoba.ca/faculties/graduate_studies/admin/161.html

Students should contact their departments for more information on departmental review processes and deadlines.

Offer of a UMGF does not guarantee admission into a graduate program at the University of Manitoba.
