

SHARE YOUR STORY!

VOLUNTEER FOR CANADIAN AGRICULTURE LITERACY MONTH!

We need English and French-speaking volunteers to share their agriculture story and start the farm-to-food conversation in Manitoba classrooms this March!

Your volunteer commitment can be as little as one hour (but we will take as many presentations as you're willing to offer!). You'll get all the materials you need to make your classroom visit a success.

To help make a difference in agriculture education, go to aitc.mb.ca/CALMvol and sign up to volunteer for CALM by January 19, 2024.
