

**Instructor, Animal Health Technology
(Animal Health Technology/Vet Medical Assistant)
Competition No: 17-2501-001**

Lakeland College's School of Agricultural Sciences invites applications for an instructor in the Animal Health Technology and Veterinary Medical Assistant programs. The ideal candidate would have expertise in the following: animal behavior and handling, surgery, dentistry, radiography, anesthesia and animal diseases, veterinary computer software (Avimark, Cornerstone), and veterinary communications.

The preferred candidate will have an Animal Health Technology Diploma with a minimum of three years industry experience and possess strong communication, presentation and organizational skills. The ability to work in both a team environment and independently with minimal supervision is essential. Previous teaching experience is an asset.

Lakeland College is located in the vibrant community of Vermilion, with a friendly family atmosphere, and great cultural and recreational opportunities. Vermilion is located within 30 minutes driving distance of the City of Lloydminster.

This is a Continuing Full-time Faculty appointment commencing August 2, 2016. Lakeland College offers a competitive salary and benefits package. Salary will be commensurate with education and experience.

Qualified applicants are invited to submit their resume by June 3, 2016.

For further information, please contact Darrell Hickman at darrell.hickman@lakelandcollege.ca or Josie Van Lent at josie.vanlent@lakelandcollege.ca.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. If suitable Canadian citizens or permanent residents cannot be found, other individuals will be considered. Those selected for an interview will be contacted.
