

Dear Student,

The [2017 TIFF Industry Conference](#) returns with a six-day programme from September 8–13, as part of the [2017 Toronto International Film Festival](#).

The **2017 TIFF Industry Conference** will unite domestic and international film students and enable them to experience a world-renowned film festival as burgeoning industry professionals. Alongside a great lineup of expert moguls and provocative speakers, we'll be featuring more opportunities to network and connect.

Geared towards inspiring both the current and next generation of content creators, the Conference will feature a diverse group of guest international speakers. We'll focus on the creative process, financing, marketing, distribution, diversity in the industry and the future of content. Join us for relevant and topical keynotes, panel discussions, and presentations highlighting financially sustainable filmmaking practices.

We are pleased, once again, to offer **University and College students who are currently enrolled in, or are 2016-2017 graduates of film, media, arts, animation, or broadcasting programmes**, a special rate to the conference. Regularly priced at \$470+Tax (CAD), the **discounted TIFF Conference Pass** is made available at a reduced rate of just **\$235+Tax (CAD)**.
