

FMLY 4300 coming this Fall and Winter!

Open to undergraduate students in all programs

FMLY 4300 Field Experience in Community Health Sciences (6 credits)

Spans Fall Term 2026 and Winter 2027

In this immersive field experience, students will have the opportunity to:

- Gain practical experience in a community setting under the guidance of onsite field experience supervisors and course instructors;
- Integrate theory, knowledge and skills;
- Develop a sense of positionality and reflexivity in terms of community relationships, and
- Develop relationships with leaders and professionals in a community-based field.

Ongoing application intake!

Students must submit an application to be considered to register for this course. Interested students must:

- Complete the application form (available on the QR code below).
- Be enrolled in a program with 84 credit hours completed by September 1, 2026.
- Submit a current resume.
- Provide two references.
- **Submit to** chelsea.jalloh@umanitoba.ca

NOTE: Enrolment in this course is limited to 15 students.
