

Take Our Survey!

Faculty in the Food and Human Nutritional Sciences Department are conducting a research study to learn more about food and nutrition insecurity among students at the University of Manitoba.

To participate, you must:

- Be at least 18 years old
- Be a current student at the University of Manitoba with at least part-time status
- Currently live in Winnipeg
- Be able to read and write English

Participation consists of one approximately 20-30 min. survey

All survey respondents will be eligible to receive one of 8 \$100 Amazon electronic gift cards via random drawing.
