MEMORANDUM

Date: June 24, 2011

To: Department Heads, Grad Chairs, Associate Deans of Research, Awards Contacts

From: John (Jay) Doering, Dean, Faculty of Graduate Studies

Re: 2011-2012 FGS Special Awards

The Faculty of Graduate Studies is pleased to be able to offer units the opportunity to recommend students for awards valued at \$5,000 each. The funds for these awards are available as a result of new graduate student support funds which may be allocated to other graduate student support programs in future years.

See attached spreadsheet to find your unit's allocation. The allocation was calculated using the average full time enrollment numbers of the last two years, including students in the first two years of a Master's program and first four years of a PhD program. The actual budget is shown for reference but please refer to the "Allocation for Awards" column for your unit's award allocation.

Students who are recommended for this funding must meet the following criteria:

1. The student must be a full time student in the first 4 years of a PhD program or first 2 years of a Master's program.
2. The student must be in good standing.
3. The student must not be receiving any merit based or grant funding.

The Faculty of Graduate Studies will notify recommended students that they have received this award.

The attached recommendation sheet should be completed and submitted by **Monday, August 15, 2011**. Note that recommendations submitted after this date will not be accepted.

Please submit recommendations and enquiries to:
