

MPT Year 2 Registration Instructions for 2026-2027

Master of Physical Therapy (MPT) students are required to register themselves through Aurora Student. Registration for Fall 2026 opens on June 15, 2026, for Bannatyne Campus students. **It is important to check Aurora Student for your registration time.** The MPT program is a closed program so there is a spot in every class for each admitted student.

To begin your registration, log in to Aurora Student at [Aurora.umanitoba.ca](https://www.umanitoba.ca) and follow the instructions provided in the guide: <https://www.umanitoba.ca/registrar/aurora>

You will be prompted to log in using your UM Microsoft Login. Select view all cards, then Aurora Registration.

1. Register for the courses listed in the chart below. Do **NOT** use the 'Find Classes' option. You will only be required to enter the course reference numbers (CRN). Register for both Fall 2026 and Winter 2027 courses before classes start.
2. Register for each course **SEPARATELY in the following order**: First Spanned courses, next Fall 2026 courses, and then Winter 2027 courses. Students will be advised (via e-mail in 2027) when the Aurora Student system is available to accept Summer 2027 registrations.
3. Select a **registration term** before moving onto the Add or Drop Classes screen.
4. When you register for a spanned course (runs over both Fall and Winter Terms), the system will automatically add the second half of the course (Part B) in Winter Term.
5. To process your registration requests, you must click on the '**Submit Changes**' button.
6. Pay all fees by the fee payment deadlines published in U of M Academic Calendar.

<u>Fall Term 2026</u>					
<u>Course Reference No.</u> <u>(CRN)</u>	<u>Dept. Name</u>	<u>Dept. Code</u>	<u>Course No.</u>	<u>Credit Hrs.</u>	<u>Spanned Course</u>

Please watch for an email from PTadmin@umanitoba.ca for summer 2027 registration details

Total credit hours for Second Year: 54

MPT Year 2 Registration Instructions for 2026-2027

Registration Assistance

Should problems arise when registering, please contact Shawna Klapecki at (204) 977-5638 or Shawna.Klapecki@umanitoba.ca. Include detailed information, e.g., Time Conflict with CRN xxxxx – This section overlaps or provide a snapshot of the error. The MPT program is a closed program and there is a spot in every class for each admitted student, so registration is not as hectic as it can be in other programs.

Students on “Hold”

A Hold is a block placed on a Student's Account by the University Administration. Depending on the reason for the Hold, limited or no services will be provided to the student until the Hold is removed. To view any Holds on your records, log in to Aurora Student, select Student Records, then View Holds.

Change of Address

You are responsible for updating your phone number and address using Aurora Student. Please remember to also report any changes to the College of Rehabilitation Sciences at CORS.info@umanitoba.ca.

E-mail Accounts

All students should have an e-mail account with the University of Manitoba. Official university communications must be sent to a student's U of M e-mail account – no other e-mail address can be used. Check your university e-mail account regularly.
