

BBIPOC

PHYSIO
STUDENT

Collective

In collaboration with the CPA National Student Assembly

01

Our Mission

- Building community among BBIPPOC physiotherapy students and clinicians.
- Fostering connection through meaningful conversations within the profession.
- Driving change in physiotherapy education, practice, and healthcare.
- Addressing disparities related to bias, racism, and inequity.
- Creating a space for physiotherapy students who are committed to continuing these conversations.

02

Upcoming Initiatives

- Workshops Around Anti-Racism and Anti-Oppression
- National Mentorship Network
- Clinician Panel Events
- Educational Resources
- National Online Group Forum
