

PAIN SCIENCE STUDENT COMMITTEE

A COMMUNITY OF
PASSIONATE STUDENTS
HERE TO LEARN

GOALS

LEARNING & CONNECTING:

Learn from experts, researchers, Pain Science Division mentors, and each other.

LEADERSHIP:

Training ground for communication, collaboration, and leadership skills.

COMMITMENT

1. Attend monthly 1hr meetings.
2. Pair up with another student member to produce a Paincast episode (~30-40 hrs over the year).
3. Take initiative in the planning of the Student Forum (5-10 hrs).
4. Facilitate 1 interactive case study within the group.
5. Opportunities to manage a public-facing social media presence and YouTube channel.

PAINCAST

The **unique opportunity** of the committee. You will be mentored throughout this year-long project and produce an episode that is proudly yours.

PAIN SCIENCE STUDENT FORUM

The **signature event** of PSD student committee. You take leadership in creating this educational event for Canadian PT students.

MONTHLY CASE STUDY

The **perk** of being a part of us. We meet every month and discuss a case. Bright minds across the nation come together to sharpen each other.

HOW TO JOIN?

Send an email of interest to:
tiffany.tiu@mail.utoronto.ca
and **westlb@mcmaster.ca**
before September 30, 2026.
