

Invitation to Apply
Respiratory Therapy Assistant (RTA) Positions
For 1st-Year University of Manitoba RT Students – Health Sciences Centre

We are pleased to invite first year University of Manitoba Respiratory Therapy students to apply for Respiratory Therapy Assistant (RTA) positions at the Health Sciences Centre.

For summer 2026, the Adult program will be hiring two RTAs, and the Children's program will be hiring two RTAs.

These positions are currently posted on the [Manitoba Health-Care Careers](#) website and direct links to the postings are below.

Please apply for all positions you are interested in.

We look forward to receiving your applications and discussing these positions with you further.
