807	44

Legend:

C & WL Class and Wet Lab

CRNs starting with the number 1 & 2 are Fall classes

CRNs starting with the number 5 are Winter classes

A course that runs Fall and Winter is a spanned course; Aurora automatically registers the Winter portion after the Fall course is registered

Note:

It is the student's responsibility to retain curriculum information if planning to work outside Manitoba. CoRS will not be responsible to provide the missing documentation.
