

### **The Claude and Lou Ellen Ibbott Dental Education Scholarship**

In honour of Dr. Claude Ibbott and Lou Ellen Ibbott, an annual fund was established at the University of Manitoba in 2024. The purpose of the fund is to reward the academic achievements of a student in the Dr. Gerald Niznick College of Dentistry. Each year, beginning in 2024-2025 and ending in 2028-2029, one scholarship valued at \$10,000 will be offered to an undergraduate student who:

- (1) is registered full-time (minimum 80% course load) in any year of study of the Doctor of Medicine in Dentistry (DMD) program in the Dr. Gerald Niznick College of Dentistry; and
- (2) has achieved a minimum degree grade point average of 3.5.

Preference will be given to a student who has graduated from a Manitoba or Saskatchewan high school and who has participated in fishing, golfing, canoeing, sailing, curling and/or skiing.

In order to demonstrate how they have participated in fishing, golfing, canoeing, sailing, curling and/or skiing, applicants must submit a written statement (maximum 500 words) to the Awards Committee of the Dr. Gerald Niznick College of Dentistry.

The selection committee will be the Awards Committee of the Dr. Gerald Niznick College of Dentistry and will include a representative of the family of Claude and Lou Ellen Ibbott for as long as they wish to remain involved in the process.

This agreement may be amended by the mutual consent of the donor (or designate) and the University of Manitoba. All such amendments shall be in writing. In the absence of the donor (or designate), and providing all reasonable efforts have been made to consult, the Board of Governors of the University of Manitoba has the right to modify the terms of this award if, because of changed conditions, it becomes necessary to do so. Such modification shall conform as closely as possible to the expressed intention of the donor in establishing the award.
