The 4 ASL classes currently being offered are:

1. American Sign Language 1 (ASLD-1011)

September 13 – December 20, 2023 – Wednesdays **5:30 pm – 8:30 pm**

This course is a pre-requisite for **ASLD-1012**

This introductory course is designed for students with little or no knowledge of American Sign Language (ASL). Students will learn the basic skills required to communicate with Deaf people and some rules of ASL grammar and syntax. Students will be exposed to everyday communications such as greetings and introductions and exchanging basic information. An introduction to Deaf culture and the Deaf Community will also be included.

2. American Sign Language 2 (ASLD-1012)

September 13 – December 20, 2023 – Wednesdays **5:30 pm – 8:30 pm**

The successful completion of **ASLD-1011** is required before registering for this course.

This course is a pre-requisite for **ASLD-1013**

This course is a study of American Sign Language designed to increase the student's proficiency in intermediate ASL communication skills with emphasis on comprehension and conversation skills, cultural awareness, grammatical features, facial expressions, and vocabulary development. This course will provide a continued focus on developing the student's insight into the culture and community of Deaf people.

3. American Sign Language 3 (ASLD-1013)

September 12 – December 19, 2023 – Tuesdays **5:30 pm – 8:30 pm**

The successful completion of **ASLD-1012** is required before registering for this course.

This course is a study of American Sign Language designed to increase the student's proficiency in ASL communication skills with emphasis on comprehension and conversation skills, cultural awareness, grammatical features, facial expressions, numbers and vocabulary development, and the use of Spatial spaces. This course builds upon the student's knowledge of ASL and Deaf culture and community.

4. ASL Bridging 1

September 12 – December 19, 2023 – Tuesdays **5:30 pm – 8:30 pm**

The course offers the opportunity to maintain and enhance ASL by progressing from common concrete communications, communicative events, and interactions, to language usage expressing abstract ideas. Emphasis is placed on the comprehension and production of increasingly complex linguistic structures with a focus on dialogue and conversational expressions.

Please register early while spots are available!!

The first day of classes is September 12th.
