

Be part of the Winter 2027 CanU Education Program!

The CanU Education program is an afterschool program for youth in Grades 7-10 designed and led by Bachelor of Education students.

Would you enjoy co-planning and teaching with a small group of your peers?

CanU is a unique opportunity to collaborate with other B.Ed. students. You will be supported in learning from one another both in your B.Ed. academy teams, and in the debriefing with all students at the end of each evening.

Have an idea for a 5-week afterschool program that would be fun for youth in Grades 7-10?

Over the years, B.Ed. students have come up with some amazing academies! From **escape rooms to bake-offs, crafting to dancing, moviemaking to musicals, and upcycling to debating!** Lean into your interests or imagine something you think would be fun to learn! CanU is about building hope, confidence, and belonging through deep, experiential learning.

Interested in expanding your experience working with youth?

CanU works in partnership with Winnipeg-area schools all over the city. Students are nominated for CanU by their teachers and attend the program **free of charge!** The grade 7-10 span offers opportunities for students — as well as for you as B.Ed. students — to learn with and from one another, no matter what the age groups of your practicum or prior experiences may be.

Interested in volunteering but concerned about your schedule?

CanU happens right here in the **Education building on Thursdays, from 5-8 pm**, in the Winter term. We start with an Orientation and Pizza Planning Party on **Jan. 7th**, followed by **five program sessions: Jan. 14th, 21st, 28th and Feb. 4th and 11th**. This program ends before Reading Week. B.Ed. Leaders are eligible for **CanU Lead Awards and Scholarships**, to receive credit on their University of Manitoba co-curricular record, and will be provided with a letter of commendation for your teaching portfolio.
