Thank you for your continued support of *Today's Dietitian*. Below is information from one of our sponsors:

This activity is hosted and accredited by Bobbie and is not a product of Today's Dietitian.

Expand your knowledge on infant gastrointestinal health with our upcoming CE webinar:

GUT INSTINCTS

Mastering Common GI Complaints in Infants

Join us for an insightful session designed for healthcare professionals seeking a comprehensive understanding of prevalent GI complaints in infants. This webinar empowers practitioners to recognize, categorize, and effectively manage issues like colic, constipation, reflux, and blood in the stool. Gain practical tools for managing complaints and enhancing communication with parents.

When: March 8, 2024 at 12:00 pm EST

Where: Zoom

Who: All healthcare professionals supporting parents and infants.

Claim credit: Registered Nurses can claim 1.0 CE, this session will be submitted for 1.0 CPEU for RDs.
