

# SAMUEL WEINER DISTINGUISHED VISITOR AWARD

## LECTURE SERIES

The award's purpose is to bring renowned scientists or scholars to the University of Manitoba to stimulate and encourage research.

2023 recipients Linda Hutcheon and Michael Hutcheon (University of Toronto) will present two lectures on campus.

---

### **Straddling Research Boundaries: Interdisciplinarity and Collaboration**

Using personal experience and critical literature, the Hutcheons will explore the process of interdisciplinary collaboration, its challenges, and its advantages.

**Wednesday, February 7, 2024**

**4:15pm**

**Robert B. Schultz Lecture Theatre  
St. John's College 172**

Reception to follow in the St. John's Galleria. Register [HERE](#).

---

### **Aging and Creativity: Later Life, Last Works**

Drawing from their work on opera, the Hutcheons will discuss how age has provided artists the impetus for some of their best accomplishments.

**Thursday, February 8, 2024**

**4:15pm**

**ArtLab 136**

**Taché Hall Arts Complex**

This lecture will be in-person and live-streamed. Register [HERE](#).

**THESE LECTURES ARE OPEN TO THE PUBLIC.  
ALL ARE WELCOME TO ATTEND.**
