

Notice of Public Seminars

The Department of Biosystems Engineering is hiring an Assistant Professor to develop a research program in the area of digital technologies for agri-food production and/or storage. We invite you to attend the public research seminar given by the candidate.

As a reminder, there were three prior candidate presentations (Dr. Nadimi on November 28, Dr. Chaudhry on December 5 and Dr. Shirzadifar on December 7).

Please email comments regarding any of the candidates to the chair of the search committee, Dr. Danny Mann, at Danny.Mann@umanitoba.ca by January 24, 2024.

Dr. Jiating Li
