

METHODS + MEDIUMS: Oral History Methodology

With Dr. Janis Thiessen

Thursday, June 25, 2026
12:00 - 1:30 PM
Zoom Webinar

Dr. Thiessen will provide an overview of oral history methodology that addresses a number of crucial questions, including: What is oral history? When should scholars use this methodology (and when should it be avoided)? How should an oral history be conducted? How should archived oral histories be used and interpreted?

All are welcome to attend.
