

## Monthly Giving

Monthly gifts can go a long way toward advancing health care.

Become a monthly donor today.

It's quick, it's simple, and it's greatly appreciated.

**Your monthly gift will help purchase cutting-edge medical equipment, fund first of their kind patient clinics, and support ground-breaking research at HSC every month of the year.**

Patients at HSC are grateful to donors who choose to make an automatic monthly gift and are moved by how deeply their community cares about the future of health care for all Manitobans.

How it works

- Your gift will automatically be withdrawn from your bank account or credit card and put to work right away.
- You will receive one tax receipt in February totalling your annual gifts.
- You can make changes to or cancel your monthly gift at any time.
- You will receive regular updates throughout the year that showcases lives changed—and saved—thanks to your generosity.
