

DEPARTMENT OF SURGERY NEW SURGEON ANNOUNCEMENT

Welcome Dr. Marno van Lieshout

Dr. Edward Buchel, Head, Department of Surgery and Dr. Brad Pilkey, Head, Section of Orthopaedic Surgery, are pleased to welcome Dr. Marno van Lieshout effective August 1, 2026. Dr. van Lieshout's practice is located at Health Sciences Centre.

Dr. Marno van Lieshout was born and raised in the Netherlands, where he completed his medical degree at Erasmus University Rotterdam. Following graduation, he moved to Belgium to pursue residency training in Orthopaedic Surgery and Traumatology.

Dr. van Lieshout has worked extensively as an orthopaedic trauma surgeon in Belgium, combining clinical practice with teaching, resident supervision, and active involvement in professional organizations. His clinical interests include trauma surgery, fracture care, and the treatment of acute musculoskeletal injuries.

Winnipeg holds special significance for Dr. van Lieshout and his family. Seven years ago, he completed a fellowship in Orthopaedic Trauma Surgery at Health Sciences Centre Winnipeg. Dr. van Lieshout, his wife, Isabelle Verhoye, and their three children greatly valued their time in Winnipeg and the welcoming community and had hoped for an opportunity to return. They are delighted to once again call Winnipeg home.

Please join us in welcoming Dr. van Lieshout to the Department of Surgery.
