

VIRTUAL OPEN HOUSE

Clinical Dietitians

Experienced and newly graduated clinical dietitians are invited to join our virtual event on Monday, October 6. Come explore a rewarding career at Fraser Health.

Hear from our clinical practice leads and experts about the diverse opportunities and flexible work options available at Fraser Health. Learn about our specialty areas such as medicine, surgery, critical care, neurosurgery, cardiology, orthopedics, pediatrics and neonatal intensive care, mental health, diabetes and cardiac clinics, as well as general outpatient nutrition services.

Now is the time to bring your passion for nutrition to Fraser Health, where you'll be part of a positive and caring work environment.

Attend a group session to learn about:

- Diverse work environments
- Our robust New Graduate Transition Program
- Job supports available to you: regional dietitian educators, research dietitian, dietitian practice initiatives lead, dietitian practice leaders, dietitian supervisors
- Educational opportunities and how to apply
- The many reasons why you should work at Fraser Health

This event is a great opportunity to ask our panel of experts any questions you may have. You can book a personalized 15-minute conversation with a recruiter, too! Register now to secure your spot.

Have questions? We're here to help.

Whether it's a topic you're curious about or something specific you need to know—we want to hear from you!
[Submit your questions](#) in advance and we will try to answer them during our virtual info session or will contact you directly.

Monday

October 6, 2025

Group information presentation
