

THE ACCESSIBILITY WORKING GROUP PRESENTS

Accessibility in Medical Education and Academia Lunch & Learn

Featured Speakers:

Jen Sebring

PHD (CANDIDATE)

Jen Sebring is a Vanier Canada Graduate Scholar and PhD candidate in the College of Community and Global Health. Drawing from critical disability studies and arts-based methodologies, Jen's research explores how clinical knowledges shape the way complex illnesses and disabilities are lived and experienced.

Dr. Alexis Botkin

MD FRCPC DERMATOLOGY

Dr. Botkin is the Medical Lead, Physician and Medical Learner, Health and Wellness and Administrative Burden at DoctorsManitoba. She is passionate about physician and learner health and wellness. She lives with a chronic illness.
