

Rady Kids' Club

The Family Centre is pleased to introduce the new dates for 2025/2026 Rady Kids' Club, a safe and nurturing environment for children of students studying on the Bannatyne campus.

This FREE service gives you time to concentrate on your studies while your kids have a blast in the Joe Doupe Gym.

Who can participate? Children aged 4 to 12 years old are welcome to attend. Please note that all participants must be fully independent in using the bathroom.

Trained childminders — Our childminders are dedicated UM students who have undergone thorough Criminal Record and Child Abuse Registry checks.

Snacks included — We will ensure your little ones are well-nourished and happy during their time with us by providing healthy snacks.

Please stay available On-Campus — For the safety and security of all, as part of this program, it is necessary you stay on campus with your cell phone on while your child is enjoying play time in the gym.

Parking — Complimentary parking is available for your convenience.
