City of Winnipeg Parking - Street Parking

Various streets may have parking options available. It is important that you double check all signage as some spots may only be available at certain times or on certain days or may have limits to how long you can park. The city is changing how you pay for parking (if applicable). Please see How to Pay for Parking on the city of Winnipeg website for further details - you pay now via an app by credit card and not into a meter with coin.

IMPORTANT: Many spots are not available during certain times of the day - please double check the signage carefully!
