

EDUCATION SESSIONS

Summer, 2018

*In person sessions are held at
300 Carlton, room 2026*

Googling for Good Evidence – *Back by Popular Demand!*

July 17th (in-person) | July 25th (online)

10:30 am – 11:30 am

1:00 pm – 2:00 pm Register Here: <http://bit.ly/2JwZTel>

Join us to improve the results you retrieve when you search Google! In this session, you will learn advanced search techniques for Google and Google Scholar, and tips and tricks to find high quality, reliable, information.

Healthcare Apps

Aug 14th (in person) | Aug 23rd (online)

1:00 pm – 2:00 pm

10:00 – 11:00 am Register Here: <http://bit.ly/2sJ3J9o>

Building on our *Introduction to Healthcare Apps* session from February, you will learn about the latest and greatest healthcare apps and how to critically appraise the information they present.

Introduction to MHIKNET and UpToDate

Sept 13th (in person) | September 18th (online)

1:00 – 2:00 pm

9:00 – 10:00 am Register Here: <http://bit.ly/2sJeWah>

We're including this September session in our summer promotion so you don't miss out on meeting the MHIKNET team and learning about the library services available to you! Learn how to search UpToDate, an online clinical decision making tool. Learn what information is in UpToDate and how to setup your account.
