

## EDUCATION SESSIONS Winter 2021

All MHIKNET education events are *free* to attend and we encourage you to circulate these events with your colleagues. Recordings of previous sessions are available at [www.mhiknet.ca](http://www.mhiknet.ca)

### Googling for Good Evidence

January 20, 2021 (free, online)

10:00 am – 10:45 am | [Register Here](#)

Join this session to learn tips and tricks to find high quality, reliable, information in Google and Google Scholar.

### PubMed

February 16, 2021 (free, online)

1:00 pm – 1:45 pm | [Register Here](#)

[PubMed](#) is the largest collection of health literature and is free to search. This session will demonstrate how to search PubMed to find high quality, evidence-based resources.

### Data Stories: using data visualization and effective PowerPoints to tell your research story

March 18, 2021 (free, online)

11:00 am – 11:45 am | [Register Here](#)

If you are going to a conference, presenting to colleagues, or teaching a class, this session will discuss different PowerPoint strategies and introduce you to using effective data visualization techniques in order to maximize the impact of your research story.

### Preprints: journal articles that are available online before they have completed formal peer-review and publication

April 13, 2021 (free, online)

10:00 am – 10:45 am | [Register Here](#)

During the COVID-19 pandemic there has been an increase in the availability and use of preprints; articles that are available online before they have completed peer-review. Learn where and how to search for preprints and whether to use them in your work.
