GOOGLING FOR GOOD EVIDENCE - *ONLINE*

July 27th, 2017 – RSVP mhiknet@umanitoba.ca to receive connection details
11:00 am – Noon

Join MHIKNET to learn how to improve your Googling! This online session will teach you how to use advanced search techniques in Google and Google Scholar, so you can find the types of information you need. You will learn how to critically appraise the materials you do find, and tips and tricks to find high quality information.
