

## **Application to Audition for Performance Stream**

### **Instructor Approval Form**

Dear Instructor,

It is understood that Major Practical Study Instructors carry the responsibility for the nurturing of the Desautels Faculty of Music students in the development of performance skills.

Normally, student and Instructor discuss all aspects of these matters directly, but in the rare event that there is a miscommunication, the Desautels Faculty of Music office will routinely provide Instructors with official notice of a student's intent to apply to the Performance stream. Major Practical Study Instructor approval is required for this performance audition to take place.
