

COLLABORATIVE PhD PROJECTS BETWEEN THE NENCKI INSTITUTE OF EXPERIMENTAL BIOLOGY, WARSAW, POLAND AND INTERNATIONAL PARTNERS

- 22 PhD projects are available
- Visit(s) to foreign partner laboratory
- Multidisciplinary training
- Fellowship (net) **1700 Euro/month**
- Start date: October 2015

Detailed information about individual projects is available at:
<http://studia.nencki.gov.pl/index.php?a=bio4med>

Candidates for Bio4Med International PhD Program must not have resided or carried out their main activity (work, studies, etc.) in Poland for more than 12 months in the past 3 years.

Applicants should hold a Master of Science degree (or equivalent) in biology, chemistry, biophysics or related field obtained within four years before the call, have some relevant laboratory experience and be proficient in English.

See individual projects for any additional requirements.

Application deadline: **June 1, 2015**

Applications may be uploaded on-line:

<http://studia.nencki.gov.pl/index.php?a=bio4med>

For additional information please contact Ms. Urszula Rybak: u.rybak@nencki.gov.pl

The selection process will be conducted by the Recruitment Committee established by the Director of the Nencki Institute. Short-listed candidates with the highest score will be selected for personal interviews. Interviews will take place at the Nencki Institute in mid-June 2015. The results of the competition will be announced in July 2015.
