

INDIGENOUS INITIATIVES WORKSHOP

MONDAY, JUNE 28, 2021

11:00AM - 2:00PM PDT

VIA ZOOM

Please join us for a roundtable to raise points of consideration for the Canadian Brain Research Strategy Indigenous Initiatives, and for a networking opportunity for Indigenous Researchers!

AGENDA

- 11:00 AM Opening prayer and land acknowledgement, Dr. Malcolm King
11:05 AM Overview of CBRS, Drs. Yves De Koninck and Judy Illes
11:20 AM Roundtable on research
- 12:20 PM Break
- 12:30 PM Sharing circles: Open discussion about research
Points for consideration:
- Discussion of unifying question: "How does the brain learn, adapt and remember?" How should the unifying question be addressed through an Indigenous lens?
 - What can the CBRS do for you?
 - Other topics
- 01:05 PM Break
- 01:15 PM Report outs of sharing circle discussions
01:45 PM Closing prayer, Dr. Malcolm King
01:50 PM Closing remarks, Drs. Yves De Koninck and Melissa Perreault
- 02:00 PM Adjourn
