ANNUAL
RESEARCH SYMPOSIUM
JUNE 4TH, 2024 **8AM-8PM**

Manitoba's Ultimate Neuroscience Event of the Year:

Join us for a day filled with exciting presentations and discussions on the latest advancements in Manitoba neuroscience research. Trainees are encouraged to register for the poster session for a chance at securing an oral presentation and/or poster award. Lunch, snacks, and a closing reception will be provided. Expect a vibrant atmosphere where researchers, students, and industry professionals can network and collaborate. Don't miss this opportunity to learn from leading experts and expand your knowledge in neuroscience!

Submit Your Abstract Today! (Deadline April 26th):
