

UNLOCKING CLINICAL FOR YOUR NEURODIVERGENT BRAIN

Date/ Day: Thursday 8th October
Time: 10am - 11.30am
Venue: Student Counselling Centre

To sign up, please call 204-474 8592 or

Email: kimberly.kiley@umanitoba.ca or
lisa.leong@umanitoba.ca

Clinical placement can be challenging for any nursing student, but some aspects of clinical may present unique challenges for neurodivergent learners. Explore why these challenges occur and learn practical strategies to navigate clinical more confidently. Topics will include coping strategies, organization and communication, disclosure and self-care.
