MEMORANDUM

Date: April 25, 2023
To: All College of Nursing Faculty and Students
From: Jennifer Dunsford, Director Clinical Education
Subject: C-19 Support Update May 2023

Effective May 1, 2023, the COVID-19 Student Support Team will no longer be actively tracking COVID-19 or other respiratory related illnesses. Students and staff will not be required to email the NursingC19@umanitoba.ca to report respiratory illnesses. Absence declaration forms must be submitted for each absence.

The latest [Shared Health Guidelines](#) (Oct. 31/22) should be followed when experiencing a respiratory illness. The COVID-19 Student support Team will still be available via the above email for students and staff to consult if they are unsure as to how to proceed.

Please see the attached Guideline and algorithm. These will also be posted on the College of [Nursing UM Learn](#) site. You can continue to email NursingC19@umanitoba.ca with questions.
