Advanced Plant Science Seminar Series
Presents

Dr. Brent McCallum

Research Scientist
Agriculture and Agri-Food Canada, Morden Research and
Development Centre

**The contribution of the wheat leaf rust resistance
gene Lr34 to multi-pest resistance**

Thursday, November 30th, 2023

3:30 pm – 4:30 pm

Join us for coffee served at 3.00 pm in the Agriculture Atrium

The University of Manitoba campuses are located on original lands of Anishinaabeg, Cree, Oji-Cree, Dakota and Dene peoples, and on the homeland of the Métis Nation. We respect the Treaties that were made on these territories, we acknowledge the harms and mistakes of the past, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.
