November 16, 2009

Dear Dr. Peter McVetty,

On behalf of the North Dakota State University Plant Sciences Graduate Student Association, it gives us great honor to invite the graduate students of University of Manitoba to the 26th Annual Plant Sciences Graduate Student Symposium March 12 and 13, 2010. In the past, the symposium has been valuable to graduate students of the University of Saskatchewan, University of Manitoba, and North Dakota State University as the symposium allows graduate students the opportunity to interact with their peers as well as present their thesis proposals or thesis project results.

Further correspondence will include a tentative schedule, and all information pertinent to traveling and staying in Fargo, ND. Please pass this information on to the appropriate graduate student body in your department.

Important deadlines to remember are:

Friday, January 8th, 2010- Registration Deadline

Friday, February 5th, 2010- Abstract Deadline

We look forward to hearing from the graduate students in your department.

Sincerely,

Junyun Yang and Santosh Sharma
NDSU Plant Sciences Graduate Student Association Symposium Coordinators
