

Manitoba Horticulturists Graduate Scholarship

The *Manitoba Horticulturists Graduate Scholarship* was established to promote the development of horticulture in Manitoba by supporting horticulture research.

A \$1000 scholarship award is available to a graduate student at the University of Manitoba who is conducting applied or basic horticulture research.

This award shall be granted to a promising student who:

- has successfully completed, with high standing, one year of a Master's or Ph.D. program at the University of Manitoba;
- is registered for a second year in a Master's program or for a second or third year in a Ph.D. program at the University of Manitoba;
- has demonstrated achievement in horticulture research applicable to the Canadian prairies.

Preference will be given to a Canadian Citizen or Permanent Resident.

APPLICATION PROCEDURE

Please submit the following documents to Ekta.Badesha@umanitoba.ca:

- covering letter describing:
 - a) the status and progress of your research program and coursework;
 - b) the value of your research project to horticulture on the Canadian prairies;
- an abstract of your research project;
- a copy (printed from Aurora) of your University of Manitoba student history.

Application Deadline: February 9, 2024
