Re: iThenticate

As you may be aware, University of Manitoba graduate students and researchers may access iThenticate plagiarism detection software free of charge to ensure that their research-related written work is free of plagiarism. Information on this software as well as how to register for an account can be found at:

<http://umanitoba.ca/research/integrity/iThenticate%20.html#What is iThenticate>

Please share this information with all graduate students and researchers in your unit.

Thank you.
