

Summer 2023 Re-Registration FAQs – Faculty of Graduate Studies

Do I have to register for Summer 2023 term?

If you are not on an exceptional/parental leave of absence in Summer 2023 term, yes.

If you are planning to graduate in June 2023, no.

What do I register in?

If you are a Ph.D. student: GRAD 8020 Doctoral Re-Registration CRN 1231

If you are a Master's student: GRAD 7020 Master's Re-Registration CRN 1226

Do I have to register in a Re-Registration course every term?

Yes. This helps the Registrar's Office ensure you are assessed the appropriate fees.

If you are on an approved exceptional/parental leave of absence for Summer 2023, you do not have to register in anything.

I am planning to graduate in June 2023. Do I have to register?

No.

However, if there is a chance you June not graduate in June, please register. There is no harm in registering just in case your graduation is delayed.

I am planning to graduate in October 2023. Do I have to register?

Yes.

I will be on an approved exceptional/parental leave of absence in Summer 2023. Do I have to register?

No.

I am on a regular leave of absence in Summer 2023. Do I have to register?

Yes.

I was on an exceptional/parental leave of absence in Winter 2023 and am returning to studies in Summer 2023, do I have to register?

Yes. You June have to complete a Progress Report prior to being able to register. Please check your record for any possible holds.

I already completed GRAD 7500 and GRAD 7300 and have a PASS for each on my transcript. Do I have to register in them again?

No.

The only exception is if you have a break in your program(s) of greater than one term. See the [FGS Academic Guide](#) for more details.

I was admitted in Winter 2023. What [FGS BFAR](#) do I need to complete this term?

You need to successfully complete GRAD 7500 Academic Integrity Tutorial in your first term of registration (Winter 2023). If you have not yet done so and your Aurora shows you are registered in GRAD 7500, go to UM Learn now to complete it. If your Aurora does not show you are registered, contact your home department/unit and ask them to complete a registration revision form. If you do not successfully complete GRAD 7500, your student account will be placed on hold.

I was admitted in Summer 2022 or earlier. What [FGS BFAR](#) do I need to complete this term?

You need to successfully complete GRAD 7300 Academic Integrity Tutorial before April 21, 2023. Please ensure you are registered in GRAD 7300 in Aurora, then go to UM Learn to complete the tutorial. If you do not successfully complete GRAD 7300, your student account will be placed on hold.

Do I have to complete GRAD 7500 and GRAD 7300 more than once?

No.

However, there are a few exceptions: please see the [FGS Academic Guide](#) for more information.

I am a Pre-Master's student. Do I have to complete GRAD 7500 and GRAD 7300?

Yes.

This is all so confusing, what do I need to register in?

In general terms:

Re-registration course EVERY TERM.

GRAD 7500 Academic Integrity Tutorial ONLY ONCE within the *first term* of your program.

GRAD 7300 Research Integrity Tutorial ONLY ONCE within the *first year* of your program.
