

Science Outside The Lab – North

SOTL North is an immersive, hands-on introduction to science & policy in Canada for graduate students of all disciplines: sciences, engineering, and humanities alike. Join us in Montréal & Ottawa this summer to network, discover career paths, and interact with Canadian science policy!

Summer 2017

Session A:

April 29th to May 5th

Session B:

May 6th to May 12th

Both take place in Ottawa, Ontario & Montréal, Quebec

Program Fee: \$900

Apply by February 15. Fee includes program, lodging, breakfast/lunch, and during-program transportation. Reduced fees available for local students.

For more information and to apply, visit
