INSTRUCTIONS ON COMPLETING THE UMGF APPLICATION FORM

PART I – FOR APPLICANT

- **STUDENT NUMBER**
 - This number is provided to you by the University of Manitoba and will be your reference number in all correspondence with the Faculty of Graduate Studies. If you do not have a student number or if you do not know what your student number is, leave this section blank.
- **ACADEMIC BACKGROUND**
 - Include only current and past programs. Do not include programs that you have not yet started.
- **ENGLISH LANGUAGE COMPETENCE**
 - Complete this section if none of your completed degrees listed in the previous section are from a Canadian university or from a university in a country on the English Language Exemption list. Before completing the section, consult the Faculty of Graduate Studies information on English language requirements: http://umanitoba.ca/faculties/graduate_studies/admissions/139.htm
 - Remember to attach the required documentation to your application.
- **OTHER RELEVANT WORK EXPERIENCE**
 - In the area labelled “Position held under nature of work,” specify whether the employment was full- or part-time. Also, indicate if you gained the experience in the course of a program of study.
- **AWARDS & SCHOLARSHIPS RECEIVED**
 - Starting with your most recent awards, give the name of the award, the value, the type (institutional, provincial, national, or international), the location of tenure, and the period held.
 - Only list the support awarded on the basis of academic and research excellence and/or in recognition of your leadership or communication skills.
- **PROPOSED ACADEMIC RESEARCH AND OBJECTIVES**
- **PUBLICATIONS** (one free form page may be appended)
 - List your contributions to research and development and works considered creative endeavours. Begin with your most recent, and list each entry on a new line. Do not include any articles that are currently in preparation. Use the following headings and order in your listing:
 - Articles published or accepted in refereed journals;

- Articles submitted to refereed journals;
- Other refereed contributions (e.g., communications, papers in refereed conference proceedings, posters etc.);
- Technology transfer;
- Contributions resulting from your participating in industry relevant R&D activities;
- Patents and copyrights (e.g., software, but excluding publications);
- Un-refereed posters or papers presented at conferences or meetings.
- For publications submitted or in press, indicate the date of acceptance/submission and the number of pages submitted.
- In all cases, indicate whether the publication resulted from work done in the process of completing your undergraduate, master's or doctoral degree, or from other relevant work experience.
- **THESES COMPLETED OR IN PROGRESS**
 - Provide information for all degrees involving completion of a thesis. For completed degrees, indicate the date by which you completed all degree requirements (date of completion of all courses, thesis defence, corrections, and deposition of thesis, not the convocation date).
- **LEADERSHIP ACTIVITIES**
 - List activities that best demonstrate leadership and community involvement. Begin with the most recent and indicate the organization, time involved and give a brief description of your role. You can include all activities since starting university, but since you are limited to one page, you may need to be selective.

Part II

REFEREES

- **Two letters of support** are required.
- **Provide your referees with a copy of your completed application and a request to comment on the following:**
 - Academic preparation
